1. Thanks to the new program..the database is more accurate than it's been in YEARS, and we are continuing to make improvements & corrections as they come in. When we apply for the KBIF program in Oct. 2017, our numbers will be updated, which will hopefully give us an increase in potential funding payout monies, thereby increasing interest and (hopefully) more MPHA horses!! ☺ We are averaging around 25 horses per event. For future events we are looking into dividing classes for Novice, Youth Division and Adult Division. We are asking for 30 horses to enter.
2. MPHA registration "push"...we need to get these horses registered!!! Ideas???
3. We have had 6 competitive obstacle events (MPHA) so far in 2017, and we currently have 1 more scheduled. We are averaging 20-25 people per event, so I'd say it's a success! We are having a GREAT time & hope to attract even more folks to come out!
4. "Upcoming" Events: Campout @ Hang Em High 10/20-22, AOC challenge, 10/28, 11/3-5th - Rudy's ranch campout, 12/3 Christmas Dinner @ Golden Corral
5. Closed Meeting

Adjourn: motion to adjourn by Cora Brewington, Second by Taylor Davidson, adjourned at 7:22 PM , went into closed meeting- next "regular" board meeting/Christmas Dinner 12/3/17 @ Golden Corral
